

A new student at school

Tapescript:

Teacher: Good morning, class. Today I have fantastic news for you. Alice is here!
Please, Alice, sit down next to Maria.

María: Hello, Alice, welcome to our school.

Teacher: Let's start! I am going to give you a picture, colour it with your partner.

María: Look at that girl, she is drinking water. Let's colour her dress red.

Alice: Great! Red is my favourite colour. The boy behind her is wearing green trousers.

María: Oh, yes! Is he playing volleyball?

Alice: No, he is not. He is running. Do you like running?

María: No, I don't. Running is boring, I prefer team sports. I love playing basketball with my friends.

Alice: I can see some girls playing under the basket. How many are there?

María: I can count: 1, 2, 3, 4. There are four. One of them is very tall, let's colour her hair yellow.

Alice: Nice! There is a group of kids sitting on the bench. What are they doing?

María: They are playing "rock, paper, scissors". The winner has got a big blue cap.

Alice: Ok, all done!
